Fiduciary and Tax Advisory Services

Zürich
Zug

Since 1988 we have been providing additional value to the diverse range of Bär & Karrer's legal services through our fiduciary services in accounting, finance, corporate administration and tax advisory matters. As allrounders, we complement the services provided by Bär & Karrer to ensure the best, broadest and most comprehensive service for our clients.

BK-Services Ltd aims to fully engage with, and support, our clients to reach their goals. We aim to provide competent consulting services, tailored to meet our clients' individual needs. We aim at flexibility to be able to adjust to our clients' changing requirements and to provide and guarantee long-term satisfaction.

We are a member of the Swiss Institute of Certified Accountants and Tax Consultants. Our work and our services must therefore at all times comply with the accredited professional regulations and recommendations of this Institute. We are committed to fully complying with its high quality standards.

BK-Services Ltd.:
Bär & Karrer's Fiduciary Services

As independent consultants, we work in close partnership with individual clients as well as small and middle-sized national and international companies. The entire range of our consulting services can be adjusted to meet each of our client's individual wishes and needs. Education and advanced training are among our top priorities.

Our collaboration with our clients ensures they are well looked after and provided with efficient solutions to meet their needs: We can help ensuring compliance with the strict standards that our clients face in accounting, social security and financial matters. With our help in this regard, our clients can concentrate on their own customers and their needs.

Our advisory services cover all corporate and private decisions on tax matters, including cantonal and federal tax law and value-added tax matters.

Fiduciary Services

- Accountancy services
- Consulting services in financial matters
 - Tax advisory
- Completion of tax returns
