

ASSOCIATE

Marianna Nerushay

About

Marianna Nerushay is an associate with Bär & Karrer's litigation and arbitration team in Geneva. She specializes in white collar crime, asset recovery as well as international cooperation and judicial assistance. Her practice also includes commercial/financial litigation and international arbitration.

RECENT WORK HIGHLIGHTS

- Successful defense of a company active in the commodities trade sector in criminal proceedings opened by the Swiss Office of the Attorney General. Criminal proceedings against the client were stayed.
- Defense of the UBO of an international group of companies active in the commodities trade sector in criminal tax proceedings.
- Representation of a sport governing body as harmed party in criminal proceedings in relation to the fight against the grey ticketing market.
- Representation of a Swiss bank as harmed party in criminal proceedings in relation to large-scale embezzlement by a former asset manager.
